Summary: Another double poem thingy, they're from Joe and Mimi's POV's. Please read and review!!!

Wait And See

A/N: Hey peoples, "Joe's battle" was on again today! Love that EP!!! Anywayz, last time that EP was on it inspired me to write a poem about Joe, this time it inspired two!!! Which is a really good thing right now considering I'm stuck in the middle of my worst case of writers block ever!!! Henc the lack of continuation in my Hikari Kamiya fic!(which I am working on BTW! Slowly but working) Well anyway these two poems Are from Joe and Mimi's POV's, and yes it is romantic! It's weird, I can't really figure out who I like Mimi with best anymore! It used to be Joe all the way but there are just so many good Matt and Mimi fics out there and Tai and Mimi is just to cute!!! Oh well, I'm sorry, I know nobody really cares about all this stuff but it's late and I'm in that annoying can't shut up mood! In in any case I'm done now, so go read the poems already! I don't think this is really my best work but...Ahhhh I'm talking again! OK I'm done now, I'm seroiusly Shutting up!!!*takes several deep breaths* OK then, enjoy!

~Wait And See~

>

>-Mimi's POV-

>
Every time I look at him

>
It makes me wonder why

>
Cause I get this funny feeling

>
Every time I look him in the eye

>

>There's just something about him

>And I don't know what it is

>And it really doesn't make much since

>Cause we are still just kids

>
And still I have this feeling

>
And it will not go away

>
I find myself dreaming about him
>
Every night and day
>

>He was always there for me

>When ever I was down

>And somehow I just feel so safe

>When ever he's around

>
And when I stayed behind
>
He's the one who stayed
>
He's the one that didn't leave
>
So that I wouldn't be afraid
>

>And now get this funny feeling

>Every time that he is near

>And now that he has left

>I'm really wishing he were here

>
To help me fight this battle
>
To help me and all our friends
>
To defeat this evil
>
To be with me till the end
>

>Because I have this funny feeling

>But maybe it's not wrong

>Maybe not, cause if it were

>It wouldn't have lasted for so long

>
So maybe I should tell him
>
And find out how he feels for me
>
Does he feel the same
>
I guess I'll just have to wait and see.
>

>-Joe's POV-

>
Charming yeah that's it
>
At least that's what they say
>
But do I find her charming
>
Or at least OK
>

>And if I do should I go tell her

>Exactly how I feel

>But then I have to ask myself

>Is this feeling even real

>
Or is it an illusion
>
Conjured up by lies
>
But then I think of how I feel
>
Every single time she crys
>

>And then I just want to hold her

>And tell her it'll be all right

>And tell her that I'll be there

>Right beside her in this fight

>
And though now I have gone away
>
I promise I'll come back
>
And when I do I'll be more help
>
When the time comes to attack
>

>So I guess this how I feel

>But does she feel the same for me

>I wonder if I'll ever know

>I guess that I'll just wait and see. <p><p>
